Yoga – Yoga combines physical exercises, mental meditation and breathing techniques to strengthen the muscles and relieve stress.

GET FIT - Targets military members physical fitness test components to help member improve overall fitness.

Boot Camp – An interval training class that mixes calisthenics and body weight exercises with cardio and strength at the same time.

Power Pump - A full body workout with the use of a variable weight barbell. This class will strengthen and define your muscles and accommodate both novice and experienced weight lifters.

Spin - A cycling class that is high-intensity workout. This is non weight bearing-great for everyone

Core Fusion- Improve functional strength for daily activities while you tighten and tone your core!

Amped Up- A total body challenge that is designed to target strength and muscular endurance.

WERQ - A Wildly addictive cardio dance class based on the hottest pop and hip hop music. The workout is nonstop with repetitive athletic moves and fresh dance steps with a HIIT/Strength component, so you get the best sweat.

Tabata Cycle – This class mixes traditional spin with tabata style strength training.

Xtreme Hip Hop Step – Extreme Dance Cardio set to hip hop music that will include step training and weights

All Effort – A cross-over class combining Spin with Boot Camp. Join us for a great workout!
