Appointment Confirmation

- You will receive an appointment confirmation via email and text letting you know when and where your appointment is, and a confirmation number that you can use to check-in on your phone upon arrival without using the kiosk. If you would like to check-in via the kiosk for your appointment, all that is needed is your appointment confirmation number, type it in via the kiosk and it will auto-fill all your information and check you in!
- Your appointment confirmation notification will also let you know what you will need to bring for your appointment.
- If you are unable to make an appointment yourself, the DEERS office can make an appointment for you. Simply call 316-759-3737, select “customer support” and a technician will make an appointment for you and answer any questions you may have.
