# WELCOME!

Military Housing Office

## OUR MISSION

The Military Housing Office is here to provide all of its servicemembers and their families with one-on-one assistance when applying for on-base housing, off-base community housing, leasing information, and fair housing advocacy.

McConnell's housing is managed by Mayroad privatized housing and boasts a number of wonderful amenities, including a beautiful activities center and sparkling pool during the summer months.

To apply for base housing, please visit [www.themayroad.com](http://www.themayroad.com), search for McConnell AFB, and begin your application process. Once the referral is received at MHO, our referral specialist will reach out requesting the required information.

## RELOCATION STATION

Fresh out of the dorms? Not quite interested in on-base housing? Wichita and the surrounding area has a multitude of homes and apartments available for rent (or sale, if preferred) in varying ranges.

MHO has a newly structured 'Relocation Station' ready to help you find your home!

The Relocation Station includes a computer station equipped with pre-saved search options such as Zillow, Realtor, Apartments.com - with all of the surrounding areas saved (Rose Hill, Maize, Derby, Goddard, etc).

Among the computer station is a number of apartment leaflets and flyers detailing discounts and other move-in specials for apartments in Wichita and the surrounding areas.

At MHO, we are here to help you! Please feel free to stop by with any questions concerning housing (whether on-base or off), lease, fair rights, or dormitory move-out briefings.

We look forward to assisting you!
